

11th Annual CNTA High School Essay Contest - 2018

\$1,000 Student Scholarship + \$500 School Award

Juniors/Seniors, submit an essay on one of the following topics:

- In light of the recent hurricane events, compare the reliability of the electricity supply generated by nuclear power to other sources of electricity which support the grid.
- Discuss how maintaining a strong nuclear science and technology infrastructure is important for the national security of the USA. This discussion should encompass both civilian and defense aspects.
- Discuss the value of nuclear technologies and radioisotopes to the world's food supply.

Criteria:

- Open to high school **juniors** or **seniors** attending school in Aiken, Allendale, Barnwell, Burke, Columbia or Richmond Counties in SC & GA; this includes homeschooled students
- Open to CNTA members' family who are high school **juniors** or **seniors** regardless of school location
- 1,000 – 1,500 word essay
- Proper citation of sources is required
- One submittal per contestant
- **Electronic submittals are preferred (no faxes will be accepted)**
- See additional flyer for complete Essay Contest Rules
